Dear Dr. McDowell and the Colchester Board of Education,

I am writing to inform you of my intention to retire from my position as Bacon Academy School Social Worker effective July 1, 2023. I am proud to say that I will be employed with the Colchester Public Schools for 29 years at the end of the 2022/23 school year. I was hired in 1994 as the first school social worker in our district serving Colchester Intermediate School under Principal Karen Loiselle and William J. Johnston Middle School under Principal Geri Andrews. I was reassigned to Bacon Academy at the request of Principal Bob Warren in 1997 and have been here ever since.

I am grateful for the years I served in the Colchester Public Schools, the learning throughout those years and all of the relationships that were built through my work with staff, students and their families.

I would appreciate confirmation of this letter and information providing any further steps I will need to take to finalize my retirement with the Colchester Public Schools.

Respectfully,
Kellie Cirillo
Bacon Academy School Social Worker
